SUNNYLAND BULGOR 9/21bs

BULGUR: A QUICK COOKING NATURAL WHOLE GRAIN

Consumed all over the world, Sunnyland's bulgur is made from premium whole wheat that has been cleaned, parboiled, dried, and ground into particles, resulting in shorter cooking times and increased usability and taste.

CONVENIENCE

Precooked for shorter prep and cooking time (especially when compared to cracked wheat, which requires soaking and drying time), bulgur is a convenient way to add whole grain flavor and nutrition to any number of food applications.

Often compared to couscous and quinoa, bulgur has different textural and nutritional properties for a versatile, flavorful and convenient whole grain alternative.
