FROM THE CREATORS OF HONEST TEA®

Honestly... we were heartbroken when our beloved tea brand was discontinued. After growing with us for 23 years, our organic farmers were left stranded. We couldn't let that happen. Besides, our fans were thirsty. So we got brewing.

The farmers who grow our fair trade and organic ingredients provide a healthier, more just way of life for their communities and our planet—and healthier options for you. This is just ice tea, but it's also so much more.

With Just Ice for farmers and for you,
