There is the usual way of doing things. And then there is the other way. We call it the Otherly way. See, most of those guys use cows' milk, we use oat m*lk. Yeah, it is kinda unique ... But we think that it's actually our little differences and oddities that unite us. We are all a little different, right? This is the chocolate for those who embrace the little things that makes them unique.

PISTAKIO CRUNCHY SPREAD

The Crunchy Spread: this is everything you love about our OG Creamy Spread, but with an added twist!

We've mixed in crushed, roasted pistachios and crispy quinoa puffs to create a one-of-a-kind texture that's the perfect balance of Creamy and Crunchy.

PISTAKIO CREAMY SPREAD

The Creamy Spread: think of it like the love child of Pistachio Butter and N*tella—super pistachio-forward with just a hint of sweetness.

It's made with real pistachios and only four other natural ingredients, so you get that rich, creamy, sweet, and salty flavor without any artificial stuff.
