WE REIMAGINED PISTACHIOS FOR A NEW GENERATION OF PISTACHIO LOVERS:
FUN, APPROACHABLE, AND AUTHENTIC.

THERE'S MORE TO
PISTACHIOS THAN
JUST A NUT.

Italian-founded & inspired, we started Pistakio from our college dorm to turn this premium ingredient into one of your everyday **pantry staples**. While the rest of the pistachio products out there are either filled with fake stuff or extremely pretentious-looking, we lead with **approachability** in mind and create products that are **fun** to use every day, and all throughout the day—one spoonful away from your favorite meals. Pistakio is made with premium ingredients, but never treated like luxury.
