Olive oil the way it should be: Always fresh, never blended, EVOO.

This means olive oil made from 100% olives, and nothing else.

STAY HYDRATED CRYSTAL GEYSER®

Is Always Bottled Right at the Source!

Natural Alpine Spring Water

Crystal Geyser® Alpine Spring Water® is only ever bottled less than 1.5 miles from the natural spring.

50% rPET Bottles

By using recycled polyethylene terephthalate (rPET) plastic, we're currently able to turn post-consumer plastic into more than 1.7 billion Crystal Geyser® bottles a year, significantly reducing waste.

Microfiltered

We filter our water prior to bottling and utilize small exposures to ozone, which leaves the ideal balance of minerals and natural flavor.
